

# Course Catalog for 1-Day Field Trips to HSC

---

October 2021

Dear Administrators and Teachers,

You are probably aware of the Holly Springs Center's focus on classes, activities, and camps related to its School of Mountain Arts (SOMA). Additionally, we are currently offering field trips to public, private, and homeschool groups from anywhere. Due to the financial hardship placed upon schools by the pandemic, we have reduced our price to \$10 per student for all student groups booking a field trip to our facility. We will abide by all COVID19 safety guidelines suggested by the district for public field trips and will accommodate homeschool and private schools with the same standards that are in place at their schools for the safety of their students.

We hope you will consider bringing your school group to Holly Springs Center, which is in a beautiful setting, on fourteen acres of land with a creek running through the large playground positioned on the edge of the Blue Ridge Escarpment. Instructors of our classes are well-seasoned and knowledgeable at teaching their craft and have a high level of expertise. Overall, we offer a unique experience at Holly Springs Center where groups can custom-design a field trip that is age-appropriate, aligns with SC State Standards, and is unlike any other opportunity in our area. Students may take classes in an array of Mountain Arts and Environmental/Nature-based courses.

We offer the unique opportunity for your students to participate in a field trip that is in short traveling distance, very reasonably priced, and can be comfortably taken advantage of even in inclement weather. We are also able to hold several of our classes in an outdoor setting on many days to accommodate social distancing guidelines and to enjoy the attractive surroundings.

Be sure to visit our website at [www.visitHSC.com](http://www.visitHSC.com) or Facebook page for Holly Springs Center (not in NC). We look forward to answering any questions you may have and serving you and your students on a field trip to the Holly Springs Center. Please E-mail: Pauline Blackston at [blackspm1@outlook.com](mailto:blackspm1@outlook.com) or [mthomas@hollyspringscenter.com](mailto:mthomas@hollyspringscenter.com) for more information.

Thank you so much for your consideration!

Sincerely,

Matt Thomas, Executive Director  
[mthomas@hollyspringscenter.com](mailto:mthomas@hollyspringscenter.com)

Minimum of five students per class - Teachers are asked to remain in the class during instruction and assist instructors if needed. The charge is \$10.00 per student for all school groups. Please note some classes have an additional material fee.

All classes are 45 minutes in length.

Please list your selection of courses in preferred order. More info on each class will follow.
